THE BIG Picture
FIGGE ART MUSEUM

Connecting curriculum with art to teach "big picture" ideas from a visual perspective.

Let a Figge staff member visit your classroom to deliver a FREE 45-minute, interactive PowerPoint presentation that focuses on Art and Math, Science, Language Arts, or Social Studies.

What to Expect

The Big Picture is designed for K-12 classrooms, after-school programs and community organizations. Most topics can be modified to be age-appropriate.

This academic year, thanks to generous support, classroom presentations are FREE during regular school day hours. **The Big Picture Program** can also come to out-of-school programs; the fee for this is only $25/visit. This covers any number of presentations per visit.

A Figge staff member will bring necessary presentation equipment, including a laptop and digital projector. If your group already has this equipment in place, please indicate this when you schedule your visit.

Organizations are responsible for providing a projection area and a flat surface for the equipment. It should be noted that the projection quality increases in classrooms that can be darkened.

For information on how your school or organization can become part of **The Big Picture** or to schedule a visit, contact: Laura Dunn, ldunn@figgeartmuseum.org, 563.326.7804 x2047.

Major support of The Big Picture is provided by:

City of Rock Island Gaming Funds for Social Services

Doris & Victor Day Foundation

John Deere

Institute of Museum and Library Services

Junior Board of Rock Island

Rauch Family Foundation

Modern Woodmen Fraternal Financial

Rock Island Community Foundation

Roman City Planning	●	●	●	●		●	●
Thinking Like Leonardo	●	●	●	●	●		●
Holocaust Art Film: *As Seen Through These Eyes*	●	●	●			●	●

Object • For program topics that have "Object" checked, the presentation will include the opportunity for students to handle a real art object from the Figge's Outreach Collection.

Illuminated Manuscripts (Shaniia McDowell, 6th grade)

African Masquerade (*Boa Mask*, Democratic Republic of Congo)

Art Activity • For program topics that have "Art Activity" checked, groups have the option of extending the presentation time to include a supplemental art project. There is no additional cost for this, but groups are responsible for providing the appropriate supplies and must indicate that they want to include the art project when scheduling the outreach.
